

## Memory Game With Items For A Home First Aid Kit

- two blankets – approximately the same size
- pencils and paper

### Assorted items for a home first aid kit – see the suggested list below

- Two 2" roller bandages
- roll of adhesive tape
- 3 ×3 sterile pads
- adhesive bandage strips
- 3 elastic bandages thermometer
- Scissors
- Tweezers
- safety pins
- calamine lotion
- 2 pair examination gloves antiseptic
- antibiotic ointment
- water based burn gel mouth barrier device

### Instructions

#### Setup

Arrange the items on a blanket. Have the second blanket ready for use.

#### Play Game

1. Let the Scouts look at the items on the blanket for a minute (or longer for younger Scouts).

2. Cover up the items with the second blanket. Give the Scouts a few

minutes to write down everything they remember.

3. Count up the number of items each Scout listed correctly.

4. Uncover the items on the blanket and let them look at them again. 5. If time permits, let them talk about the items and how they would be used.
